I want to apologize to everyone for not doing a newsletter since the March/April addition. I don't know how it is possible, but this summer has been busier than last - even though we've had to cancel several barrel races due to the weather not cooperating! I hope everyone has been keeping cool. I sent an email, but just a reminder; the show at Junction City that was rained out has been re-scheduled for August 15th at Clay Center. The July 18th Clay Center show that was rained out will be September 25th at Bennington. This is the day before the Kelly Watts-Goodell Memorial Barrel Race.

The shows on September 12th and 19th will be sanctioned ABRA. The ABRA finals are in Park City, KS at the coliseum near Wichita this year. You need to compete in 4 races prior to September 30th to qualify. If you are unable to compete in 4 races, you are allowed to pay a buy-in fee of \$35. There is more information about the finals and entry forms on the ABRA website www.riseabove.us.

The second show on September 19th will be the added money race. You must have competed in 7 of the 10 side-pot fundraisers to be eligible for the added money race. We will count the added money race as a qualifying race.

The following are KS05 district rules, please read carefully:

- 1) You can only win one first or second place award per class. If you win two first or second

place awards in one class you will trade awards with the next place and on down through the places. The first place award will still say "Champion" and the second place award will still say "Reserve Champion". You can win two first or second place awards only if you compete in Open and Youth or Open and Senior Classes.

- 2) Members must participate in Open, Youth or Senior classes a minimum of 6 times (in each class) to receive year-end awards in the respective classes. This rule will be waived for new members joining on or after the date of the 7th show.
- 3) All advertising sold in 2010 will expire December 31, 2010
- 4) Members selling \$50 or more in advertising for the website will be exempted from paying the \$5/show awards fee.
- 5) Members must be present or have a delegate to pick up year-end awards at the Banquet or they will be used for another purpose.

2010 Pee Wee Information/Rules

- 1) **Year-End Awards:** Each child who participates in at least 6 races will win a year-end buckle. Additional awards will be given to 1st through 4th places according to how much money is in the award fund at the end of the year.
- 2) **Fees:** \$10 per entry; \$5 will go to awards fund; \$5 to payback.
- 3) **Age:** 8 (as of Jan. 1) and under. Child may enter *either* Pee Wee OR Youth Class, but not both.
- 4) **Assistance:** If assistance is needed, only lead line is permitted. No leading with another horse or riding along with child.
- 5) **Points:** Children who are unassisted and complete the pattern will place in front of assisted children. Points will be awarded to each place and will accumulate. Therefore, assisted children *could* place ahead of unassisted for year-end awards if they attend more shows and accumulate more points. Every child who participates will get at least 1 point.
- 6) **Payback:** Everyone who completes the pattern will get payback.
- 7) **Horse:** We will allow the same horse to be ridden by multiple entrants.
- 8) **Schedule:** Please check the KS05 website for schedule.
