Spring is here and it's barrel racing time again!!! I am excited about this year and becoming the District Director. Please be patient with me this first year as this is all new to me. I will try to do my best. Please bring any questions, concerns and ideas to me. I really want to make this year fun and enjoyable for everyone! We have a great district!

The following are KS05 district rules, please read carefully:

- 1) You can only win one first or second place award per class. If you win two first or second place awards in one class you will trade awards with the next place and on down through the places. The first place award will still say "Champion" and the second place award will still say "Reserve Champion". You can win two first or second place awards only if you compete in Open and Youth or Open and Senior Classes.
- 2) Members must participate in Open, Youth or Senior classes a minimum of 6 times (in each class) to receive year-end awards in the respective classes. This rule will be waived for new members joining on or after the date of the 7th show.
- 3) All advertising sold in 2011 will expire December 31, 2011

- 4) Members selling \$50 or more in advertising for the website will be exempted from paying the \$5/show awards fee.
- 5) Members must be present or have a delegate to pick up year-end awards at the Banquet or they will be used for another purpose.

All members have 30 days to question points, after that they are considered final.

2010 Pee Wee Information/Rules

- 1) **Year-End Awards:** Each child who participates in at least 6 races will win a year-end buckle. Additional awards will be given to 1st through 4th places according to how much money is in the award fund at the end of the year.
- 2) **Fees:** \$10 per entry; \$5 will go to awards fund; \$5 to payback.
- 3) **Age:** 8 (as of Jan. 1) and under. Child may enter *either* Pee Wee OR Youth Class, but not both.
- 4) **Assistance:** If assistance is needed, only lead line is permitted. No leading with another horse or riding along with child.
- 5) **Points:** Children who are unassisted and complete the pattern will place in front of assisted children. Points will be awarded to each place and will accumulate. Therefore, assisted children *could* place ahead of unassisted for year-end awards if they attend more shows and accumulate more points. Every child who participates will get at least 1 point.
- 6) **Payback:** Everyone who completes the pattern will get payback.
- 7) **Horse:** The same horse can be ridden by multiple entrants.
